Consumables

CineTruck can provide consumable items for camera and lighting departments such as pens, tape, clapperboards (engraved), gloves, pouches, cleaning products, weather protection, Gels, rope etc.

We can also recommend and supply backup drives.

Please submit a list of your requirements in advance to allow for ordering time.

Extra Equipment:

CineTruck is able to supply extra equipment. Please call to discuss your requirements.

Basic Terms (Full Ts&Cs available on request):

All rentals requiring 30 day account terms will be subject to the necessary credit checks – this is not available to low budget productions.

All low budget productions are subject to full rental payment UP FRONT before the first day of rental. Consumable charges will be logged daily and invoiced separately at the end of the production. Please note that Polyboard will be charged in respect of damage (if it's barely damaged and can be reused then it won't be charged for).

CineTruck Full terms and conditions MUST be signed before rental period can commence.

Proof of insurance and coverage for loss of hire as well as coverage within the vehicle whilst unattended must be provided before the equipment can leave. Insurance must cover the equipment from the time it leaves CineTruck premises.

CineTruck mileage charged at £0.50/mile

CineTruck rate includes a driver who MUST be classed as a crew member. This includes accommodation, food and on-screen credit (where applicable). Responsibility for the driver's tax/holiday pay etc. resides with CineTruck.
